## National Programmes 2025

With clubs preparing their grounds for the start of the season we are excited that **All Stars & Dynamos** sessions will soon begin at venues across the county. Bookings have already exceeded this time last year but we are encouraging clubs to utilise social media and their own internal methods to spread the word across their community so even more children get a chance to join in.

All Stars (5-8yrs) and Dynamos (8-11yrs) are action packed, fun filled, 8 week programmes for those starting out in cricket. All participants receive **FREE KIT!**

If you have any queries around national programmes as either a club or player/parent please contact [Kirsty Sockett](#) For all local centres click here for [All Stars](#) and here for [Dynamos](#)

## County Age Groups Winter Review and Summer Preview

---

"It has been a pleasure for me to come to Herefordshire Cricket in late February and see various aspects of a winter programme in full swing and much of the summer already in place thanks to the hard work of Claire and the wider Team.

My thanks go to the coaches who have run many sessions this winter, often finishing deep into the evening and offering unseen hours of planning and reflection.

Something new this winter was the establishment of a Boys MCC Foundation Coaching 'Hub' for U14/16 children missing out on County training who attend a state school: this attracted 18 players who have all thrived under the watchful tutelage of Nick Ashton, Sam, Pete and Georgina. We really want to replicate this for Girls this coming winter.

We've also run a Boys ECB Emerging Players Programme in conjunction with Worcestershire County Cricket Club who supplied our Head Coach, Stuart Houghton. Stuart has led challenging Monday night sessions, 6-9pm, since November for 5 officially registered EPP players; Will Kennedy, Ben Lowe, Gabe Albright, Rufus Lapsley and George Heywood and the Junior EPP lads: Avitej Singh, Max Harris, Ralph Elliot, Noah Herbert, Finn Goodwin and James Nolan. Many thanks to these and all players to their commitment to proper training over the winter.

This week actually saw the start of the outdoor summer programme with the Boys Under 11s taking on a Gloucestershire based side of Apperley and Aston Ingham CC players and it was impressive to see our youngsters battling not only the opposition but also some not inconsiderable wind and rain to truly remind us all of the challenges of the outdoor season!

More than a hundred other games will follow on at a pace and we wish all the players all the luck in the world as they take on opposition from up and down the Country. Please follow all our scores and results on: [\*\*Herefordshire Cricket "\*\*](#)
