# Dynamos Schools Festivals Attract Record Numbers

---

---

Every year Herefordshire Cricket hosts Primary Schools Festivals for schools around the county and each year this grows. This year 88 teams have entered from 31 schools; that's 880 children playing cricket at Pentland Gardens over the next two weeks. We are really proud of this and hope they all have fun. At the end of the festivals cricket club flyers are handed out to all participants so we really hope they continue to play.

## Herefordshire Cricket Centre

Herefordshire Cricket Centre has recently had a facelift thanks to investment from Section 106 monies. Outdated signage and showers have been replenished thanks to a funding pot released towards housing on Canon Pyon Rd. This has allowed the headquarters of Cricket in Herefordshire to update its facilities which provides cricket for Whitecross School pupils as well as youngsters from across the County. This includes the Cricket Disability Programme as well as hosting some county matches for the girls and boy’s county teams, school competitions both primary and secondary and and junior club cricket.

The project has included the installation of four new showers and cubicles to encourage more female cricket at the venue as well as an internal refurb of the buildings in addition to the signage making it easier for cricket visitors to locate the centre and its parking areas.

## Girls County News

---

Our girls have been in action in the early summer with notable victories against Christ College Brecon for our GU13 and GU15 teams as well as a famous win for our U11s against Gloucestershire Development. Our U11 girls showed how hard they are working with their batting by making 64/1 from 20 overs against Gloucestershire. Although runs were hard to score the girls showed genuine determination and Freya Williams carried her bat with excellent support from captain Amber Hewlett and Tilly Coleman. We are excited to see how the season unfolds.
